### III. TAX EXEMPTION FORMS

*As indicated in GSA's letter, we request that the GSA SmartPay® 2 cards' design and structure suffice for tax exemption certification. If this is not possible, please indicate if your state / jurisdiction / U.S. territory requires government customers to complete any documentation in order to receive a tax exemption. Also, please indicate the website address for accessing any required forms; you may also provide the form via an email attachment.*

## GSA SmartPay® 2 Card Numbering Systems

GSA SmartPay® 2 cards will be **effective on November 30, 2008** (except in a few cases, which will be effective earlier), and will have specific account number prefixes, as seen in the chart below. GSA SmartPay® 2 cards are provided by three banks: Citibank, JPMorgan Chase, and US Bank. The GSA SmartPay® program provides four business lines: Purchase, Travel, Fleet, and Integrated (includes fleet, travel and/or purchase functionality and offers a single card for all purchases). These cards/accounts can be Centrally Billed Accounts (CBAs) or Individually Billed Accounts (IBAs). Below is a detailed description of each card type and numbering system that GSA Smartpay® 2 provides.

**Centrally Billed Accounts (CBAs)** are charge card accounts in which **all** charges are billed directly to the federal government and paid directly by the federal government to the issuing bank.

- **Purchase:** All federal government Purchase cards are centrally billed.
- **Fleet:** All federal government Fleet cards are centrally billed.
- **Travel:** Federal government Travel cards/accounts may be centrally billed or individually billed.
- **Integrated:**
  - All Fleet and Purchase type transactions on an integrated card are centrally billed.
  - Travel functionality on an integrated card may be centrally billed or individually billed.

**Individually Billed Accounts (IBAs)** are charge card accounts in which charges are paid directly by the cardholder/federal employee to the issuing bank; the federal employee is then reimbursed by the government.

- **Travel:** Federal government Travel cards may be centrally billed or individually billed.
- **Integrated:** Travel functionality on an Integrated card may be centrally billed or individually billed.

		5	Reserved		
		6 – 9	CBA		

In addition to the chart provided above, please note the following information:

- **Only the Travel card** uses the 6<sup>th</sup> digit to identify whether the account is a Centrally Billed Account (CBA) or an Individually Billed Account (IBA).
- **The numbering structure for Integrated Cards** to differentiate between centrally and/or individually billed transactions will be specific to each agency/organization using the Integrated card. This information will be provided on the GSA SmartPay® website ([www.gsa.gov/gasmpay](http://www.gsa.gov/gasmpay)) as it becomes available.
